Council for Tobacco Research U.S.A., Inc.
900 Third Avenue
New York, New York 10022

To Whom It May Concern;

It has recently come to my attention that your council supports research in the areas of smoking and health; and Pulmonary disease. I am currently studying surfactant metabolism by pulmonary type II pnuemocytes and would be interested in information about the research grants offered by your council. Please send me this information at your earliest convenience.

Sincerely yours,

Kevin Gibson
